Dear Ms. Best,

Thank you for your interest in NASA. This is the final response to your FOIA request received by the NASA HQ FOIA Office on June 3, 2019, and assigned FOIA Case Number 19- HQ-F-00561, which seeks:

Documents mentioning or relating to Anonymous (the hacker movement/collective, see below) or hacktivism (defined as hacking as a form of protest and/or activism) generated between 1 January 2009 and 1 January 2019, including but not limited to:

- \* Internal reports, bulletins, warnings and alerts relating to Anonymous or hacktivism.
- \* Reports from the appropriate IT (Information Technology) or computer offices regarding possible cyber-attacks by Anonymous or other hacktivists.
- \* Reports, bulletins, warnings and alerts relating to or mentioning Anonymous or hacktivism sent to or received from any federal law enforcement or intelligence agencies or any fusion center.
- \* Incident reports investigating possible hacking activity falling within the office's jurisdiction and allegedly carried out by members of Anonymous or other hacktivist groups.
- \* Materials generated as a result of any suspected or actual compromise, breach or "dox" (revealing of personal or private information) by Anonymous or other hacktivists.

In response to your request, a search of NASA's Office of the Chief Information Officer was conducted using the information you provided above. The searches did not locate any records related to "Anonymous hacktivism," or "hacktivist."

### **Appeal Rights**

You have the right to appeal my action on your FOIA request. Your appeal must be received within 90 calendar days of the date of this letter. Your appeal must be in writing and addressed to:

Administrator  
ATTN: FOIA Appeals  
NASA Headquarters

Both the envelope and letter of appeal should be clearly marked "Appeal under the Freedom of Information Act." You must also include copies of your initial request, this correspondence, and any other correspondence with the FOIA office. In order to expedite the appellate process and ensure full consideration of your appeal, your appeal should also contain a brief statement of the reasons you believe this initial determination should be reversed.
